1. Medical Emergency & Safety DURING Event Hours

Phone 911 for a medical emergency at any time. During the day, 7:00 AM to 5:00 PM, medical help is always onsite. Contact Speedway Security or Hornets Nest Region Officials. Speedway Security is always on duty at Gate 26 – the Underpass entrance-exit.

2. Medical Emergency & Safety AFTER Event Hours

Phone 911 for emergencies. After hours, roving Police Officers are provided by HNR in the Flea Markets, Car Corral, and AACA trailer and vehicle parking areas. Speedway Security, after hours, is located at the Underpass entrance Gate 26.

3. Safety

Safety is a primary concern with a large crowd and movement of many types of motor vehicles. Anyone operating a motor vehicle of any type in an unsafe manner is subject to removal from the Event. Report safety concerns to HNR Officials during the day in the Orange Field or Green Field Registration Tents.

4. Motor Vehicle Traffic Restrictions

To allow safe pedestrian movement, Motor Vehicle traffic is restricted in the Flea Markets and Car Corral on Thursday-Friday-Saturday, between the hours of 11:00 AM and 4:00 PM (except for officials).

5. Vendor Pass

Each person must have a Vendor Pass or an admission ticket to enter the fenced area enclosing the Green Field, Red Field, Blue Field, Orange Field and Car Corrals. No credential checking is required when walking between any Fields. ***It is highly recommended that you do not drive out during the day and expect to easily drive back inside.*** However, if you do leave the Event and return the same day, obtain a hand stamp from the Speedway ticket sellers on the way out. Vendors with credentials may enter Gate 26 until 11:00 PM, Thurs to Saturday.

6. Vendor Agreement

A - As a Vendor and participant, I understand the Hornets Nest Region (HNR) and Charlotte Motor Speedway (CMS) accept no liability for any injury to persons or damage to property or thefts incurred by my accepting space assignments or renting equipment or materials for the Event.

B - The Hornets Nest Region assumes no responsibility for any personal injury, damage or loss by fire, theft, or any other cause whatsoever. Food and beverage sales and services, souvenir sales, etc, are rights reserved by the Speedway.

C - Your Vendor registration and attendance indicates agreement that... "As a Vendor, I understand I can't sell T-shirts, caps, shoes, boots, food, drink, new NASCAR racing related souvenir items unless commissioned with Charlotte Motor Speedway." Vendors may sell NASCAR collectibles that are five years old, or older, with no commissions.

C - Disorderly or intoxicated persons will not be tolerated, day or night, and are subject to removal and loss of event registration. Use of foul and objectionable language or gestures is prohibited.

During the Event, if two or more Vendors file a complaint with the Hornets Nest Region about a loud generator running after 11:00 PM (or fumes at any time), this will be sufficient to allow relocation of the Vendor with the offending generator. The Speedway food service will have generator equipment running at all hours – any Vendor who has a concern can request relocation.

G - All flea market merchandise, vehicles and tents must be within space assigned. No tent stakes are allowed in any pavement at the Speedway Aisles must be kept open at all times for emergency vehicle access as required by the Fire Department.
