

**FOR IMMEDIATE RELEASE – February 28, 2020**

Charlotte AutoFair Fall Date Change

The Hornets next Region, AACA announced the Fall Charlotte AutoFair collector vehicle flea market and car show will take place Thursday-Friday-Saturday October 22-24, 2020 at Charlotte Motor Speedway. The Fall event change will not affect the Spring Charlotte AutoFair schedule which will continue as planned for April. Charlotte AutoFair Spring and Fall is the largest collector vehicle event in the Southeast and is well known nationally as a premier automotive event.

The latest NASCAR race schedule required the Charlotte Speedway to have an early October race in 2020. This change required Charlotte AutoFair to move to a later October date.

Spring Charlotte AutoFair will take place Thursday thru Sunday, April 2-5, 2020 at Charlotte Motor Speedway. Spring schedules for 2020-2024 may be viewed at [charlotte-autofair.com](http://charlotte-autofair.com).

NASCAR race schedules determine the availability of the speedway for the Charlotte AutoFair Fall dates. As of late February 2020, NASCAR has not been able to finalize Fall race schedules for the Charlotte Speedway beyond the year 2020.
