To: 2020 Charlotte AutoFair Participants

The North Carolina Governor is allowing the slow reopening of some business operations beginning over the next month. The Governor did just allow NASCAR to have Charlotte area races with no people in the stands. Events with crowds, such as Charlotte AutoFair, will not be allowed for some time – therefore, the rescheduled April 2020 Charlotte AutoFair will not take place in June 2020.

The Hornets Nest Region will proceed with Charlotte AutoFair (CAF) as scheduled for October 21-24, 2020. The Hornets Nest Region Board of Directors has approved special provisions for the October 2020 CAF to accommodate participants from the April 2020 CAF. The October CAF will permit all April CAF participants to attend using the same locations and credentials as issued to them for the April CAF. All credentials, such as windshield stickers and vendor passes will be honored for the October dates even though they were printed for April.

Sincerely,

Hornets Nest Region Board of Directors
